Norfolk team lost to Trenton of the Tri-State League, this afternoon by the score of 4 to 2. Defeat was attributable entirely to the wildness of pool in the early part of the game, an error by Law at first, and the fact that the few bingles of the visitors came at opportune moments.

Both teams showed up well in the field. The Trenton outfield is one of the fastest seen here this year, and their infield looks good for the class they are in.
